## Available colours

	S/M	L/XL
<b>Weight in g</b>	100g	100g
<b>VPE</b> (pcs. per inner packaging / pcs. per outer packaging)	10/100	10/100

## Available colours

 aubergine	 black	 dark-grey	 lime-green
 navy	 off-white	 red	

## Features

**Thinsulate**

Air molecules cling to the body. The more air a material stores in a certain space, the higher the insulation level will be. Microfibres are much finer than other fibres. Therefore, they enclose more air within a smaller space thus offering a better insulation. The advantage: breathable, moisture-repellent and suited both for washing in the washing machine and for dry cleaning.
