

**Beanie with cuff**

Turn up edge to protect your head from wind and cold.

**Bacteriostatic yarn**

The silver fibre used to make the bacteriostatic yarn inhibits proliferation of the bacteria present, while preserving the normal bacterial flora on the skin and guaranteeing maximum protection, softness and comfort.

**Oeko-tex**

An international testing and certification system for textile products from all stages of production (yarns, fabrics, dyed or finished materials, accessories) with the aim to sensitize the industry to the responsible use of chemicals in the long term and on a global scale.

**Cold proof**

Keeps you warm, dry, & light in the most rigid cold weather conditions.

## BTATIC

A beanie made with **bacteriostatic** properties, certified OEKO-TEX® STANDARD 100 to protect your health and your comfort. Check here the certification n. [PG020126968](#)
